

 AQUAVISION  
bathroom televisions

Your complete range of  
bathroom and in wall  
televisions

## The Company

From the originators of the bathroom television, Aquavision introduces the new range for 2009. Having manufactured bathroom televisions since 1997, Aquavision are the leading manufacturer of luxury in wall waterproof television solutions. The Aquavision 2009 range takes technology beyond the boundaries of conventional television and allows our customers to enjoy the highest quality vision and sound anywhere around the home, garden or even on their boats.

## Our products

**Aquavision screens offer the following features:**

- Flush in wall design for integrating into any wall finish
- Totally integrated solution with no exposed wires, connectors, etc.
- High quality HD ready or full HD (40" & 57") screens
- Can interface directly with Sky boxes
